This matter is before the court on the plaintiff's Motion to Extend (Filing No. 31). The plaintiff seeks a third extension of the deadline to serve the defendants with the statements required by Fed. R. Civ. P. 26(a)(2) regarding each expert witness he expects to call to testify at trial. The plaintiff states an additional one-week extension is necessary for the expert witnesses to complete their reports. The plaintiff notes in the motion that the defendants do not consent to the extension. However, the defendants have since notified the court they will not file a written objection. Further, the plaintiff notified the court he is now prepared to serve the Rule 26(a)(2) disclosures. Upon consideration,
